Anti-Bolshevik Governments To Be Recognized By Peace Council

ALLIES DECIDE ACTION

Will Conditionally Recognize Anti-Bolshevik Governments.

PARIS, May 26.—The council of the peace conference has decided conditionally to recognize the anti-Bolshevik governments of Admiral Kolchak and General Denikin, according to Reuters agency here.

The conditions for the recognition are that, regarding the future of Russia, these governments agree to continue and accept the terms of a treaty constituent assembly, likewise the league of nations' covenant and its consequences as affecting the boundaries of the former empire are accepted.

The constituent assembly is to determine the future form of government for Russia.

The policy adopted, it is added, will enable the Allies to recognize and assist the force in Russia, co-operating in the struggle against soviet rule, because such recognition will be in force until such time as the constituent assembly decides upon the permanent form of government. The recognition will then expire automatically.

The Allies will not furnish Admiral Kolchak and General Denikin with troops but will supply them with arms, munitions, money and food on a large scale than hitherto. It is stipulated that there will be no interference with the forces of non-Russian states recently created from old Russian territory.

Bolsheviks Anxious.
LONDON, Sunday, May 25.—While there is no confirmation that Nikolai Lenin, the Bolshevik premier, has proposed an armistice to Admiral Kolchak, head of the All-Russian government at Omsk, there are indications that the Bolsheviks are anxious over the fate of Petrograd and Moscow. A wireless dispatch states that the defense committee is appealing for women volunteers for military service and admits that non-Bolsheviks are fighting in the outskirts of Riga.

According to a dispatch from the Reuters correspondent, there is no doubt that Petrograd can be taken, but he says that its capture would be useless owing to the Allies' inability to feed the population.

Intense Interest in Russia.
PARIS, May 25.—Interest in the Russian problem, which the Council of Four is considering at every session, is intensified by the dispatches from Finland announcing explosions and fires have occurred in Petrograd. This is interpreted as meaning that the Bolshevik forces are destroying their superfluous ammunition, preparatory to retreat southward.

Believers in the peace conference say the Bolshevik demand for an armistice from Admiral Kolchak has been refused. This, coupled with the reports of anti-Bolshevik advances on Petrograd from the north and west, as well as Kolchak's successes along the trans-Siberian railway and General Denikin's advances from the Don district toward the Volga, is regarded in conference circles as proof that the Bolshevik ministers, Lenin and Trotsky, are facing the worst crisis the Bolshevik government has encountered.

Austrian Terms Delayed.
PARIS, May 26.—It is probable that the presentation of the peace terms to the Austrian delegation will be delayed until next week, according to Reuters limited. Delays in completing the drafts of certain sections are said to be responsible.

Germans Send More Notes.
PARIS, May 26.—The German peace delegation today sent three new peace proposals to the peace conference. The notes deal respectively with reparations and responsibility; German property in Allied countries; and German religious missions abroad.

GENERAL STRIKE THREATENED.
TORONTO, May 25.—A general strike is threatened here if iron metal works now on strike. A virtual tie-up of all railway transportation in Ontario would be one result of such a general walkout, workers claimed. A meeting of all unions has been called for tomorrow night when the decision to be taken will be determined largely on the result of an afternoon conference between the strikers' committee and employers.

Twenty Villages Wiped Out By Volcano

WESTERNERS ARE NAMED FOR NEXT BAPTIST YEAR

DENVER, Colo., May 26.—Buffalo, N. Y., today was unanimously selected by the northern Baptist convention as the meeting place for the 1920 convention of the church.

When the nominating committee's report was made public only one name was submitted for president of the convention, that being D. C. Shull of Sioux City, Ia. Debate developed on the floor of the convention and F. W. Freeman of Denver, a lawyer, was placed in nomination for president.

Speakers declared their belief that the traditions of the church would be better served by having two candidates for the office. A motion was adopted to postpone the election until Mr. Freeman's name could be placed on the ballot. The decision put the election over until late today.

DENVER, Colo., May 26.—The promise given to western men and women as a feature of the report of the nominating committee presented to the northern Baptist convention in session here today. Besides nominating D. C. Shull, a prominent business man of Des Moines, Ia., for president, the committee, in making its selection of officers and board members for the ensuing year, gave greater recognition to the west than heretofore has been given.

In selecting Mr. Shull for president, the committee also adhered to the long-established custom of limiting this office to laymen, although it had been suggested the position be given to a clergyman.

The principal nominations submitted by the committee follow:

President, D. C. Shull, Iowa; first vice-president, Rev. Frederick E. Taylor, Indiana; second vice president, H. G. Stoddard, Massachusetts; corresponding secretary, Rev. William C. Bittig, Missouri; recording secretary, Rev. Maurice A. Levy, Massachusetts; statistical secretary, Rev. Charles A. Walker, Pennsylvania; treasurer, Frank L. Miner, Iowa.

Members of the executive committee (term expires 1922):

Rev. W. S. Abernathy, Missouri; Rev. G. A. Briggs, New York; J. A. Earl, Iowa; Robert Earl, Minnesota; W. W. Everett, District of Columbia; Rev. Joseph C. Hassen, Illinois; Mrs. Andrew MacLeish, Illinois; W. W. Smith, Michigan; E. J. Steinburg, Wisconsin; J. A. Sunderland, Nebraska.

President, American Baptist foreign mission society, Rev. T. J. Villers, Michigan; president of the American Baptist home mission society, Charles R. Brock, Colorado; president of the American Baptist publication society, W. G. Brinson, Illinois; president of the Woman's American foreign mission society, Mrs. W. A. Montgomery, New York; president, Woman's Baptist home mission society, Mrs. John Naveen, Illinois.

BAPTISTS TO NAME NEXT CITY FOR CONVENTION

DENVER, Colo., May 26.—The report of the nominating committee, the election of officers and the selection of the next meeting place were the principal matters to come before the northern Baptist convention in its session here today. Chief interest in the report of the nominating committee centered in the selection for president of the convention for the ensuing year and there was much speculation among delegates as to whether the committee would depart from the time-honored custom of nominating only a layman for this position. Proposals that the place be given to a clergyman were said to have been submitted to the committee.

The election of officers, it was predicted, would follow whatever recommendations are made by the committee, this procedure always having been followed heretofore.

In choosing the next meeting place, Buffalo, N. Y., it was predicted, would probably be the successful contender.

WILD EXCITEMENT IN BERLIN.
BERLIN, Saturday, May 24.—(By The Associated Press.)—Downtown Berlin was thrown into a state of wild excitement this afternoon by machine gun firing in the Unter den Linden. The shooting was due to a large group of wounded men insisting on parading despite the order prohibiting processions during the period of martial law. Government troops broke up the demonstration by firing in the air.

CREDENTIALS OF AUSTRIANS ARE ACCEPTED

PARIS, May 26.—The credentials of the Austrian peace delegation at St. Germain-en-Laye have been approved by the credentials commission of the peace conference and the Austrian delegates have sent their first note to the Allied and associated powers dealing with the peace treaty's terms. The note has to do with Carinthian affairs.

Working Out Italian Problem.
PARIS, May 26.—There were indications today in peace conference circles that the negotiations for the settlement of the Italian problem were being resumed. It is understood that a strong effort is being made by the French, British and Italians to have the treaty of London form the basis of the settlement.

Count Max Montgelas.
PARIS, May 26.—(By The Associated Press.)—General Count Max Montgelas, one of the members of the German peace mission, who had intended to go to Berlin with Professor Weber and Herr Dietrich, other delegates who left last night, postponed his departure at the last moment.

Germany Should Refuse to Sign.
BERNE, May 26.—Germany should refuse to sign the military and economic terms of the peace treaty which are not acceptable, according to a statement made by General Count Montgelas, one of the German delegates at Versailles, quoted in a Munich dispatch received here.

He says that the military terms allotted to Germany do not allow her even a sufficient number of troops to maintain order, the riots in Berlin and Munich being cited as proof of this statement. He adds that acceptance of the economic clauses "would condemn German working men to slavery."

Financial Bills Approved.
BERLIN, Sunday, May 25.—By the Associated Press.—The German cabinet has approved a number of financial bills drafted by the ministry of finance, including a tax on incomes from property, a levy on capital on the basis of the last year of war, an inheritance tax and an increase on sugar and tobacco duties.

Note Sent to French.
BERLIN, May 26.—Via London.—Mathias Erzberger, chairman of the German armistice commission, has sent a note to General Naudant, representative of Marshal Foch at Spa, protesting against the alleged encroachment given by General Gerard of the French army to those seeking the separation of the Bavarian palatinate from Bavaria and Germany. The note was sent through General von Hammerstein, the German military representative at Spa.

Germans Make Demand.
PARIS, May 26.—One of the notes sent to the German secretariat of the peace conference Saturday by the German delegates, a semi-official German dispatch to Spa says, demanded the convocation of a conference of labor leaders to decide upon international labor legislation. The other note, which related to German property in allied countries, declared that the decisions of the allied governments in deciding upon the fate of the property could not be accepted.

THREE NEBRASKA STUDENTS DROWN IN BLUE RIVER

CRETE, Neb., May 26.—Royal McDowell, 17, of Bertrand, Nebraska, student in Doan college here, and Francis Walklin and Evelyn Mark, students in the Crete high school, were drowned in the Blue river five miles north of here last night when the canoe in which they were riding overturned.

The accident occurred when McDowell and Fred Brautisch, a Crete high school student, attempted to exchange seats. Brautisch escaped. None of the others knew how to swim.

AUSTRIANS MAKE APPEAL.
BASLE, May 26.—Dr. Karl Renner, the Austrian chancellor, made an appeal to Premier Clemenceau Saturday for the expediting of the peace negotiations with Austria, according to a Vienna dispatch today. The chancellor expressed fear that internal disorders might result from continued delay.

INTERNATIONAL SITUATION.

(By The Associated Press.)
This week during which it is expected that the terms of peace for German Austria will be presented, may witness also the solution of the problems raised by Italy and Jugo-Slavia on the Dalmatian coast. Paris says that the council of four is taking up the problem now.

Germany's counter proposals to the peace conference tomorrow. Thirteen notes asking for modifications in the terms have been submitted and there may be several subsidiary notes still to be transmitted by the German peace mission.

General Count Max Montgelas, one of Germany's delegates, is quoted by a Berlin newspaper as saying that the terms as they now stand will not be signed.

One Concession Made.
With the exception of one concession relative to the Saar basin, German claims in regard to that region have been rejected. The council has agreed that Germany may create a prior charge upon her assets or revenues which may be used in paying for the interest in the Saar district, should the plebiscite to be held in 1934 be favorable to Germany.

All of Germany's suggestions relative to her western frontiers have been rejected in a sharp note to Count von Brockdorff-Rantzau.

Estonian forces are officially reported to have broken through the Pako front west of Peking and to have captured 1,000 prisoners. Further east the forces of Admiral Kolchak of the Omsk government are reported to be approaching Viatia. It is expected that the Kolchak and northern Russian forces will soon unite.
